Pursuant to the Court’s April 27, 2022 temporary restraining order, ECF No. 37, Defendants herein provide, subject to the caveats discussed below, data showing, for the period of May 3, 2022 to May 9, 2022, (1) the number of single adults processed under Title 42 and Title 8 by country, (2) the number of recidivist border crossers for whom the U.S. Customs and Border Protection (“CBP”), Department of Homeland Security (“DHS”) has applied expedited removal, (3) the number of migrants that have been excepted from Title 42 under the NGO-supported humanitarian exception process, and (4) any material changes to policy regarding DHS’s application of the Title 42 process.

**1. The number of single adults processed under Title 42 and Title 8 by country.**

Below is the data pulled on May 10 for single adult encounters by CBP at the Southwest land border for the period of May 3, 2022 to May 9, 2022. The data reflects CBP processing dispositions, which may take 24 hours, or longer, for initial vetting. Final verification of data takes place at the end of every month. Because this was pulled before the end of the month, it is preliminary and subject to change.
